When I took my first steps, you were hold - ing my hand.

I owe it all to you, mum. I've learned how to stand. I love you,

3. What - e - ver I've need of, when e - ver I was down,

I re - mem - ber first day at school, scared as I could be.

Looked out the class - room win - dow, saw you wav - ing at me. I love you
